Outcomes for Future-Focused Leaders

Embrace Candor

Only 4 in 10 teams sustain honest, productive conversations that drive business value. That's a big miss.

Co-Create Over Silos

Just half of teams have strong cross-functional collaboration and shared ownership. Own it together.

Potential

Only 5% of teams say they are achieving their full potential; this is a critical conversation-starter.

Agentic AI Adoption

Only 1 in 3 teams say they leverage agentic AI effectively, leaving significant value on the table.
